No. 36 - South Lamma Island

Site

The site is the southern part of Lamma Island. The area is about 345 hectares.

Date of Designation

5 February 1980

Special Scientific Interest

The site is the habitat for a bird population of unusual species.

Degree of Hazard

Development may affect the bird population.

Recommended Protection Measures

The Agriculture & fisheries Department should be advised of and consulted on any development proposals which will affect the site.
